

Lauber joins Key in London

By *Anonymous*

Created 14/11/2002 - 14:57

Darren Lauber has joined the London office of Key Asset Management as a Research Analyst.

Mr Lauber was previously a hedge fund research analyst at Mount Capital Management and an equity research analyst at Ansbacher and WestLB Panmure.

Background Note: Key Asset Management (UK) Ltd. headed by Thomas Raber, Managing Director, is an FSA regulated alternative investment company specialising in funds of hedge funds.

The company was founded in 1989 and currently has operations in London, Oslo, Stockholm, Geneva, and New York. Key Asset Management has in excess of US\$650 million in assets under management.
